P R E S I D E N T

WELCOME TO SPRING... Now that the cold weather is over, let's all get out on the weekends and browse through the many yard sales and flea markets that are around. Who knows, maybe you will find some old coins and tokens. I know that we have in the past.

Our last meeting was held in conjunction with the Suburban Washington Coin Show on February 18th. This meeting was attended by 18 members and 4 guest. This was not one of our better meetings due to the fact that our meeting time was changed and I did not know that until I arrived at the show. So, everything was rushed in an attempt to cover our business for the day. We also had a lot of background noise to contend with.

The book committee had another meeting at Millard Hajek's home on April 7th. There will be some minutes of that meeting on another page. So, I will not elaborate at this time.

I spoke with our Treasurer, Pete Burris, last night, and he has informed me that MD TAMS has two new life members. They are Jack Pryor and myself. For a Society that was founded in 1979, we now have 8 life members. At this time, I would like to say "thank you" to Russ Sears. Russ has sponsored 12 new members since the last annual meeting.

Now, for the news about our lapel pins. Would you believe that I have them. Well, I do. They arrived on May 7th, exactly 11 months after I ordered them. After speaking with several of the officers, we are going to sell them for \$4.00 each, plus 75 cents for postage. Members may order more than one lapel pin if they wish to, but postage is only needed once, several lapel pins will fit into one mailer. Any member may send their check to my home address (400 S. Houcksville Road, Hampstead, Md. 21074) or in care of the P. O. Box. I will attempt to get them mailed within a few days of receiving your order. Personally, I think they look great and I sincerely hope that most of our membership will be ordering at least one.

Let's have a good turn-out for our next meeting. This will be held on Saturday, July 12th, from 11 AM to 1 PM at the Sheraton Hotel and Exhibition Center, New Carrollton, Md., in conjunction with the Metropolitan Washington Numismatic Association Convention..

Hope to see you there,

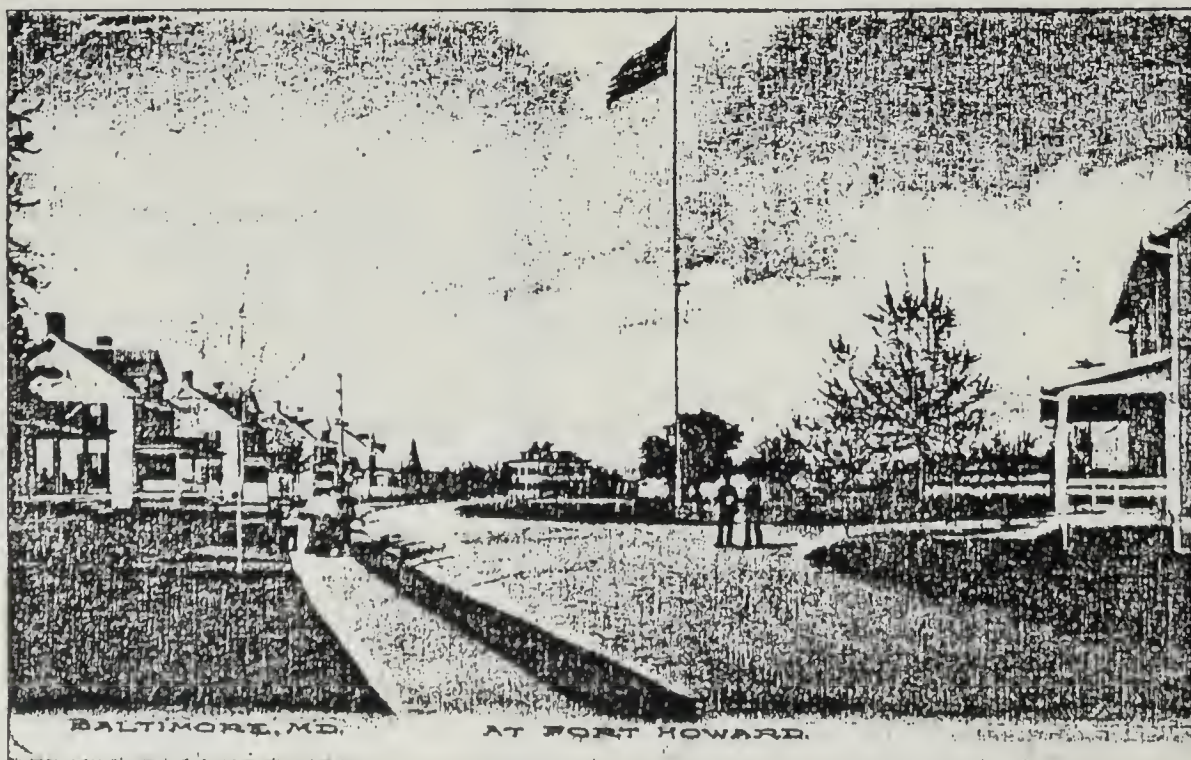

# FORT HOWARD

By Russ & Jane Sears

Fort Howard is located 17 miles southeast of Baltimore City at the end of Old North Point Road in Baltimore County. It is on land known as North Point at the mouth of the Patapsco River on the Chesapeake Bay.

North Point was named by and for Captain Robert North who sailed his ship "Content" from the area in the late 1790's. At that time many ships including a ferry from the Eastern Shore of Maryland docked there. The road from North Point to Baltimore was a popular route, so popular that it even had a stage line.

It was at North Point on Monday, September 12, 1814, where 6000-7000 British troops landed under the command of General Sir Robert Ross. Ross came to North Point just after he was responsible for the invasion and burning of Washington D. C. After advancing just a few miles, General Ross was shot by Baltimoreans Dan Wells and Henry McComas. Ross died of the wounds shortly after being shot. The loss of their leader and the determined efforts of the Baltimore defenders repelled the land attack on Baltimore. A naval attack was thwarted by the Baltimore defenders at Fort McHenry. During that action, Francis Scott Key wrote our National Anthem.

Fort Howard was established in 1899. Named after the the Revolutionary War hero John Eager Howard, it began as 148 1/2 acres and grew to 393 acres by 1900. As part of the Coast Artillery, six reinforced concrete batteries were built in 1902. The batteries were manned by the 21st, 40th, 103rd, and 140th companies consisting of about 400 men.

Activity at Fort Howard increased and the personnel was doubled in 1917 as the fort was put on wartime status. During World War I, General Douglas McArthur was stationed at the fort. In 1922, Fort Howard became the Headquarters of the Coast Defenses of Baltimore.

The Secretary of War was authorized to dispose of the Fort Howard Military Reservation in 1926, but a sale to the City of Baltimore could not be consummated.

In August 1940, the Veterans Administration acquired title to Fort Howard from the Army and constructed a modern five-story hospital. As a part of their plan to update the fort and transfer hospital work from Fort McHenry, about 80 old buildings were torn down in 1940. Since then, the Fort Howard VA Hospital has cared for the medical needs of the nations' veterans.

The authors are indebted to the VA Medical Center, Fort Howard, Maryland for providing the information used in this article.

While I was home on spring break from Virginia Tech, my dad put me to work on some more listings. He had a group of slides that Mr. Gene Brandenburg allowed him to photograph a few years ago. Since I could not get black and white photos of these slides, I decided to just list them without photos. Also, I do not have information of the sizes but that should not matter too much. The main thing is to list the name and dates. So, here goes! Thanks to Mr. Brandenburg for numbers 64-74 and Mr. Lee Burton for number 75.

# Gwynn Oak Park

By Jane & Russ Sears

Gwynn Oak Park was originally opened in the 1890's as a traction company park by the Walbrook, Gwynn Oak, and Powhattan Line. Located in the northwest area of Baltimore City, the park was seventy six acres of oak groves, a lake, Gwynn Oak Falls, parking, and a very popular amusement park.

BO-BO!

The park hosted many organization outings especially church picnics since alcoholic beverages were not allowed in the park. Numerous pavillions, picnic groves, and benches as well as the shelter provided by large oak trees made Gwynn Oak Park one of the most popular summer spots in Baltimore.

Features at the park over the years included the Double Dip Racer, pony rides, boat rides, carousel, a restaurant, Professor White's Circus and trained animals, Bo-Bo the clown, ballon ascension, bingo, and bowling. The world famous Dixie Ballroom provided music and dancing to the live music of some of the best known bands in the world.

In the 1960's the park suffered from decreased business due to Demonstration, television, and mobility of the modern Baltimorean. The park was closed in the early 1970's.

# WINTERBOTTOM & CO.

By Jane & Russ Sears

William G. Winterbottom was born in Cabridge, Maryland on September 27, 1868. After leaving school at the age of 16, he worked 9 years for the firms of George W. Woolford & Company and Mace, Woolford & Company before being made a partner in the companies.

Winterbottom left the Woolford organization in 1900 and opened his own oyster company, W. G. Winterbottom & Co. He was involved with Levi and Albanus Phillips in the organization and ownership of the Phillips Packing Co., Phillips Can Co., and Phillips Hardware Co.

In 1917, Winterbottom bought Mace, Woolford & Co., Oyster Packers. He also bought Woolford's interests in George W. Woolford & Co., wood, coal, and lime business which he operated as Orem and Winterbottom.

## 8 TH ANNUAL

### DELAWARE VALLEY TOKEN & MEDAL SHOW

On May 19, we drove to the 8th Annual Delaware Valley Token and Medal Show in Mount Laurel, New Jersey. The location was a little more convenient than previous years and the bourse area afforded more room than the crowded areas of the last several years.

We felt that it was a good show. Many of the national token and medal dealers were set up as were a number of the East Coast collector-dealers. The atmosphere was friendly as usual. Meeting people we have known thru the mail as well as renewing friendships and making new friends was the best part of the show. We even recruited a new member for MD TAMS.

Maryland tokens were scarce as usual except for the most common pieces. We were able to add a few tokens to our collection as well as some new elongateds and other pieces.

It was an enjoyable day and definitely worth the trip.

*Russ + Jane*

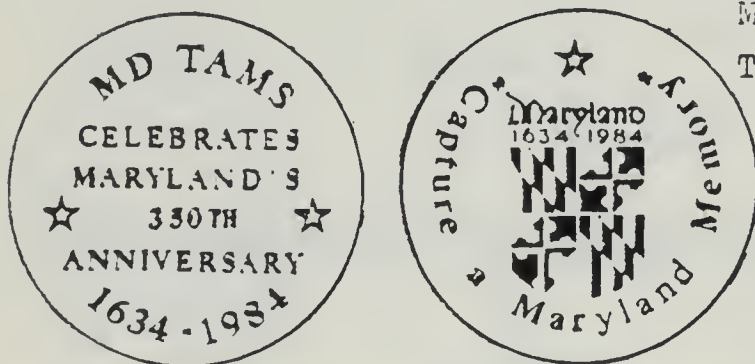

# 350th Maryland Anniversary Celebration

To help Maryland celebrate it's 350th Anniversary MD TAMS issued a plastic token to "Capture a Maryland Memory" the week of March 25th, 1984. Permission was received from "The Maryland Heritage Committee" to use the offical logo symbol which was incorporated into the plastic token design by Millard Hajek.

A quantity of 250 tokens, 41mm in diameter were made by ARMOR MEDALLIONS, 6576 Colgate Avenue, Los Angeles, Ca. 90048, Robert Ritterband, Agent.

The tokens were made in two varities:  
100 pieces gold ink on white plastic for presentation to all attendees at the annual meeting on May 12, 1984 and 150 pieces gold ink on black plastic for presentation to all members of the Society, distributed via U.S. Mail with the annual dues statement along with a flyer on the celebration.

Millard W. Hajek  
Token Committee Chairman,

# FIFTH ANNUAL MEETING TOKEN

A 1984 encased cent was presented to all members and guests in attendance at the MD TAMS Fifth Annual Meeting held on May 12, 1984. This souvenir piece continued the tradition of the Society first established in 1980 when all attendees at the annual meeting received a wooden nickel. The 1981 give-away was a plastic token; the 1982 issue was an elongated cent and last year (1983) members and guests received a counterstamped pickers check.

All members of the society received a specimen of the encased coin along with the summer issue of the MD TAMS Journal.

A quantity of 1,000 encased 1984 cents were produced by the "Newton Manufacturing Company" of Newton Iowa.

## FROM YOUR Vice President — Russ Sears

We look to have the Maryland token book completed and ready to sell by the Baltimore ANA Convention in August 1985. Dave Schenkman has worked very hard on this project and still has a lot to do as he reviews city directories for information about the merchants. Details about actual costs of publishing the book as well as marketing plans have not yet been established.

Our Book Fund balance has grown very well thru the generous cashdonations of members and friends of our Society. We are grateful for those gifts and the response of the membership in donating various items for our auction held at the anniversary meeting. Loan commitments made to us by MSNA and TAMS should give us the balance of the funds we need to publish the book. However, any further donations we receive will reduce our requirements from outside our Society.

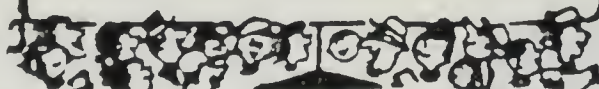

Anyone who has not given Dave Schenkman a list of his tokens should do so as soon as possible. We want to get as many tokens as possible included in the book.

If you haven't paid your 1984 dues, please stop, write a check, and send it to our post office box or give it to one of our officers.

One more thought---- Share our hobby with your friends. Invite them to join Maryland TAMS.

### MEMBERS IN THE NEWS

Greg Ruby (LM 7) was one of the speakers at the 28th Annual Metropolitan New York Numismatic Convention on March 30th. Greg also came home with the Junior Best of Show award for his display "Maryland Tercentenary Numismatic Items."

At the 5th Annual Tri-Club Show held at the Sheraton Hotel, New Carrollton, MD on May 13th, Pete Burris (R-90) came home with a Second place trophy for his exhibit entitled "The United States Capitol Historical Society Medal."

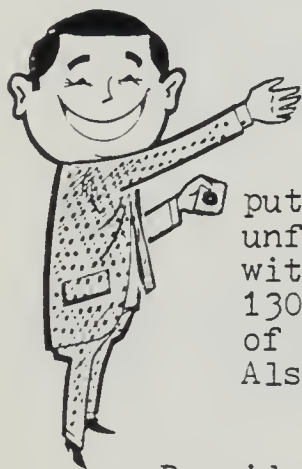

## From the President:

MEETING OF MAY 12, 1984

Being that MD TAMS just had a meeting in conjunction with the Tri-Club Show at the Sheraton Hotel, New Carrollton, Md., and the next Journal will not be published until late summer. I will try to bring the members up to date as to what happened.

For starters, this was another meeting where our requested time was cut in half, so once again things were rushed. The attendance was good, with 26 members and guests present. Our guest was Mr. Russell Rulau, Editor-in-Chief of COIN WORLD NEWS from Iola, Wisconsin. Mr. Rulau was presented with one of our lapel pins and is now our newest member.

All who attended this meeting received a white plastic token to match the black token that you received with your dues notice. MD TAMS also handed out the annual give away for 1984, an encased cent. For those who attended, they also received a reproduction of an early Maryland map from Millard Hajek and a blue plastic token from Bryce Doxzon, President of the Catonsville Coin Club.

## Auction

All of the business portion of the meeting was put aside until after the donation auction was over, unfortunately, time did not permit us to continue with the business. The auction had approximately 130 lots. At this time, I would like to thank all of the members who donated items to be auctioned off. Also, thanks to the members who bought the items.

It is also necessary to thank Joe Kane, President of the Early American Coppers Club for allowing us an extra 15 to 20 minutes of their time to finish the auction. Russ and Jane Sears also have to be included. Without them, the auction may never have gotten off of the ground. They cataloged all of the items and Jane was the accountant who recorded the sales for us. Russ was our auctioneer. Both did an outstanding job.

Have a nice summer,

## Feedback

To the Editor:

MILLARD W. HAJEK

MAY 14, 1984.

Hi JANE & Russ:

AS CHAIRMAN OF THE BOOK COMMITTEE, AND MORE IMPORTANTLY, AS A FELLOW MEMBER OF MD TAMS, I WANT TO EXTEND MY PERSONAL THANKS TO BOTH OF YOU FOR THE OUTSTANDING EFFORT EACH OF YOU PUT FORTH TOWARD THE DONATION AUCTION !!! GETTING THE LOTS TOGETHER, (I WAS TICKLED PINK <sup>OVER</sup> ~~OVER~~ THE TOTAL CONTRIBUTIONS) PLACING THEM IN 2x2's, NUMBERING AND DESCRIBING THE LOTS, ESTIMATING THEIR VALUE AND THEN HANDLING THE AUCTION AS AUCTIONEER AND ACCOUNTANT WAS A SUPER JOB! I VERY QUICKLY RECOGNIZED YOUR HANDWORK AND THE TIME INVOLVED AND I'M SURE THIS EFFORT CONTRIBUTED GREATLY TOWARD MAKING THE AUCTION SO SUCCESSFUL.

NEEDLESS TO SAY, THIS KIND OF DEDICATION HAS CERTAINLY CONTRIBUTED TO THE CONTINUING SUCCESS AND GROWTH OF MD. TAMS.

PLEASE KEEP UP THE GREAT JOB AND THANKS AGAIN!

# "MD TAMS JOURNAL"---FIFTH ANNIVERSARY

B.Y A. VERNON TAYLOR MD TAMS LM-2

A funny thing happened to me the other day.

While I was looking through a box of accessories for my stamp collection (Aren't we crazy? We'll collect anything, won't we?), I came upon a piece of foolscap with a rough sketch of my first thoughts of what the masthead of the journal should be like. When I glanced at the date, Fall 1979, it occurred to me that it was the fifth anniversary of the journal. My, how time flies! So, I grabbed a piece of paper, put it in the typewriter, and jazzed off this little salute to the journal.

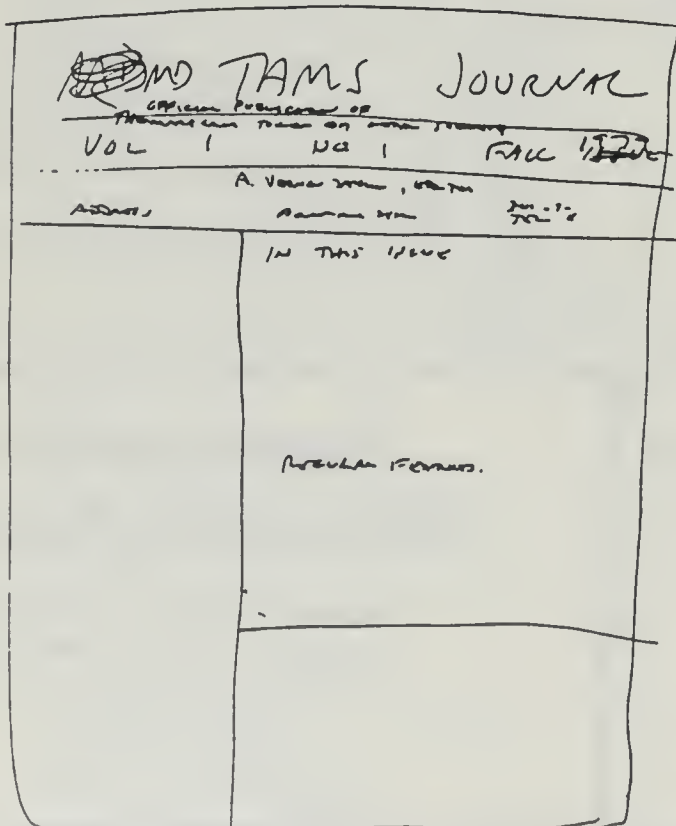

Of course, I am biased; but, I do believe the journal has done a good job of keeping the interest of the membership. Believe me, a lot of time goes into each issue. Two hours here, two hours there; the next thing you know you have spent 50 to 60 hours. I felt the time was well spent, since a lot of documentation of Maryland exonomia has been made that would otherwise not have been recorded. One can look at the various series as mini-catalogs. I can only assume that these were well received. Assumed, because as the former editor I can not recall that I received any comments from the members stating "why do you publish all that stuff?". If editors do not get comments from you the reader, they could be going down the wrong road and not know it. So, try to help your new editors, the Sears', and tell them your views.

Well enough of these ramblings of a retired editor. Let's get back to the main reason for this article.

Congratulations, MD TAMS JOURNAL, for five years of editorial excellence and contributions to the documentation of Maryland exonomia, even if I do say so myself.

Your ex-editor,

*Vernon*
